

I AM OUTRAGED THAT THE NAB IS OPPOSED TO US RECEIVING THIS CONTENT ON MY SATELLITE RADIO. IS THIS HOW THEY REACT TO A LITTLE COMPETITION? PERHAPS IF THEY COULD IMPROVE THEIR RADIO CONTENT AND MAKE IT AS GOOD AS XM HAS, THEY WOULD NOT BE THREATENED BY A LITTLE COMPETITION. I THOUGHT THAT WAS ONE THING WHAT MADE THIS COUNTRY GREAT WAS THAT COMPANIES HAD TO DO THEIR BEST TO COMPETE IN THE MARKETPLACE. HOW COME WHEN INDUSTRIES LIKE THIS GET A LITTLE COMPETITION, INSTEAD OF MAKING THEIR OWN PRODUCT OR SERVICE BETTER TO COMPLETE THEY JUST GO TO THE LAWMAKERS CRYING FOUL. TOO BAD THE RADIO STATIONS IN THE NAB DON'T HAVE A PRODUCT THAT IS AS EXCELLENT AS THE XM STATIONS. IF THEY CAN'T COMPETE ON A LEVEL FIELD THEY SHOULD JUST CLOSE THEIR DOORS.
